**Tamra Mueller and James Barton Design Build, Inc win awards in the 2009 Master Design Awards. Tamra's design won in the "Room Addition Under \$100,000 category. James Barton Design Build won an Honorable Mention Award in the "Outdoor Living Category."**

**Sponsored by Qualified Remodeler magazine, the Master Design Awards is the premier national contest recognizing outstanding achievement in residential remodeling projects in 22 categories. What distinguishes the award program from others is the peer-to-peer nature of the award. Only active remodelers and designers are permitted to sit on the panel. The Qualified Remodeler Master Design Awards competition was initiated 30 years ago to recognize remodelers, architects, builders and other professionals for outstanding project design and construction.**

**Tamra is the lead designer for JBDB and has been with the company for 5 ½ years. Tamra feels the best part of her job is working with clients to improve the livability of their homes and helping them turn their dream into a reality. Past clients said "Tamra had the ability to take our ideas and create something truly unique. Her ideas for our kitchen and family room were brilliant!"**
